

Aditya Yadav

Mathura, Uttar Pradesh | +91 8318570426 | adity6946@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

SUMMARY

Computer Science student with hands-on experience developing machine learning classification models and data analysis pipelines. Proficient in Python and libraries including scikit-learn, TensorFlow, PyTorch, and NLP tools such as NLTK and spaCy. Passionate about generative AI and natural language processing, with strong analytical problem-solving skills and collaborative research experience.

EDUCATION

Bachelor of Technology, Computer Science

GLA University

• GPA: 7.0/10

Jun 2027

Mathura, Uttar Pradesh

Intermediate

C B School Aashiana Kanpur Road

• GPA: 72%

May 2022

Lucknow

High School

Happy Model School

• GPA: 89.6%

May 2020

Chittupur, Varanasi

WORK EXPERIENCE

Blinx Lab

AI Engineer

Apr 2026 - Present

Mathura

Worked as an AI Engineer, developing AI-powered products, LLM applications, automation workflows, and full-stack solutions for real-world business use cases.

- 1. Developed **AI/LLM-powered applications and automation workflows**, integrating OpenAI/LLM APIs, document processing, intelligent assistants, and business-specific AI solutions.
- 1. Built **full-stack AI products** using React, Tailwind CSS, Node.js, FastAPI, and MongoDB, including API integrations, backend services, and production-ready workflows.
- 1. Engineered **WhatsApp automation and AI-driven ordering systems** using Meta WhatsApp Cloud API, webhooks, payment integration, and analytics-oriented backend services.

Intrainz Innovation

Machine Learning Intern

Oct 2024 - Dec 2024

- Developed a deep learning classification model using neural networks in TensorFlow achieving ~85–90% accuracy in detecting fraudulent transactions
- Performed data preprocessing, feature engineering, and model training using Python and PyTorch
- Evaluated model performance using analytical skills to derive insights from accuracy, precision, recall, and confusion matrix

PROJECTS

Orvika AI - Privacy-First Research Assistant <https://github.com/adityayadav161003/ORVIKA-AI->

GLA University

May 2026

Mathura

- Designed and developed a Retrieval-Augmented Generation (RAG) system for analyzing sensitive documents locally while performing external research through cloud LLMs without exposing user data.
- Built a document intelligence pipeline supporting PDF, DOCX, PPTX, TXT, audio, and video ingestion using local processing, semantic chunking, embeddings, and FAISS vector search.
- Architected a hybrid AI workflow combining local LLM reasoning, vector retrieval, and multi-model research agents to generate grounded, citation-backed reports.
- Implemented privacy-first architecture using local storage, encrypted API key management, audit logging, and transparent outbound request monitoring

GestureWave AI - Touch-Free Gesture Control System <https://github.com/Annaa74/GestureWave-AI>

GLA University

Jan 2026 - May 2026

Mathura

- Developed a real-time hand gesture recognition system using Python, OpenCV, MediaPipe, and deep learning techniques.
- Implemented hand tracking and gesture classification for touch-free computer interaction.
- Optimized inference performance for low-latency gesture detection and improved real-time responsiveness.
- Built an intuitive computer vision pipeline capable of recognizing multiple hand gestures for system control

SKILLS

- **Programming:** Python, Java, SQL, JavaScript
- **Machine Learning & Deep Learning:** scikit-learn, Model Evaluation, Feature Engineering, PyTorch, Neural Networks, Deep Learning
- **Data Analysis:** Pandas, NumPy, Data Cleaning, Exploratory Data Analysis (EDA), Analytical Skills
- **Web Development:** HTML, CSS, React, Bootstrap, Spring Boot
- **Data Tools:** SQL (Basic), Excel (Pivot Tables, Data Cleaning)
- **Tools:** Git, GitHub
- **AI & NLP:** LLM, Agentic, Langchain, Generative AI

CO-CURRICULAR ACTIVITIES

GLA University

Synergy Coordinator, Entrepreneurship Cell

GLA University

General Secretary, CSED Club

ACHIEVEMENTS

- Completed Data Science & Analytics certification by HP LIFE.
- Completed Deloitte Australia Technology Job Simulation.
